

Dear Parents and Carers

Tuesday 17th December 2024

KS2 Natural History Museum Visit

During term 1, the children in KS2 learnt about 'animals including humans' during their science lessons. As a way to bring their science learning to life, we are excited to announce that we have planned a trip for children in KS2 to visit The Natural History Museum in London on **Tuesday 28th January 2025**. We hope this will be a great opportunity to consolidate their science knowledge. Please read the following details about the educational visit carefully and keep this letter for future reference. In order for this exciting trip to take place, we will need all permissions and payments received by Friday 17th January 2025.

We will need parent helpers to support this visit. Please indicate on the reply slip below if you are happy to volunteer to join us and support groups throughout the day. If we have too many volunteers for the trip, we will draw names from a hat and will contact you, as soon as we can, to confirm whether you will be required on the day.

We would like to thank Friends of Firle who have been very generous in supporting us financially with the trip in order to bring the costs down for pupils. It is wonderful to have their support in making these trips happen and helping us to deliver life long memories for the children.

Classes: Beech and Holly Destination: The Natural History Museum, London
